

Toy Making competition

We want to celebrate the joys of handmade toys and all the love that goes into their creation. So make a TOY in time for the Western Port Craft Expo in April and you may win a prize!

Entries can be knitted, crocheted, sewn, carved, recycled, as games, puzzles, dolls houses, puppets or cuddly toys for all ages. (*Safety considerations most important for toy entries – no batteries, choking hazards, toxic materials or sharp points*).

Entry fee of \$5 per person does not restrict the number of entries. Toys can be for sale or donated to a charity organisation.

Prizes will be given for—Best puzzle toy, most creative and People’s Choice.

On completion, please firmly attach the maker’s name and contact details (see the rear of this form) and drop it/them off at the **Hastings Community Bendigo Bank** along with a single entry fee of \$5 in an envelope for as many toys you’re entering. Larger toys made of wood, etc., should be dropped off at 199 Hendersons Road, Hastings. (Phone 0459 791 116 to arrange a suitable time beforehand).

Entries close at 12 noon on Friday, 12th April.

Winners announced at the Craft Expo, Hastings Community Hub, on 20 April.
